

2 - 17 - 17 Plus Liquid Foliar

DESCRIPTION

2 - 17 - 17 PLUS is designed to supply macro and micro nutrients efficiently to vegetable crops, field crops, row crops, deciduous fruit and nut trees, grapes and citrus. Foliar fertilization is intended as a supplement to a regular fertilizer program and may not by itself provide all the nutrients normally required by agricultural crops or other intended plants.

COMPATIBILITY

2 - 17 - 17 PLUS is compatible with most fertilizers, fungicides and pesticides. In all cases, it is recommended that a jar test be made to determine the compatibility of **2 - 17 - 17 PLUS** with other materials before proceeding with high volume mixing.

APPLICATION

GROUND SPRAY: Apply 2 quarts to 2 gallons of **2 - 17 - 17 PLUS** per acre in 20 to 50 gallons of water.
AIR APPLICATION: Apply 1 gallon of **2 - 17 - 17 PLUS** per acre in 10 gallons of water.

STORAGE

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly re-seal after opening to preserve shelf life.

CAUTION

Product is safe and non-toxic when used as directed. Keep out of reach of children and pets! Do not inhale or ingest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician.

NOTICE - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.
