Soluble Water Treatment For Ponds And Lagoons

DESCRIPTION

AQUA TREAT is a complete soluble microbial inoculant. **AQUA TREAT** is a precise blend of soluble nutrients and *Bacillus* bacteria spores to effectively digest solids in manure ponds and to clarify the water in ponds and lakes.

MICROBIAL CONTENTS GUARANTEE

480 million CFU (colony forming units) per gram of *Bacillus pumilus*; 480 million CFU (colony forming units) per gram of *Bacillus megaterium*; 480 million CFU (colony forming units) per gram of *Bacillus subtilis*; 480 million CFU (colony forming units) per gram of *Bacillus licheniformis*; 480 million CFU (colony forming units) per gram of *Bacillus amyloliquefaciens*.

COMPATIBILITY

AQUA TREAT is compatible with most fertilizers, but the benefits of **AQUA TREAT** will be reduced when applied during the use of strong chemicals.

APPLICATION

Use **AQUA TREAT** at a rate of 1 pound per acre foot (327,000 gallons) of water. Dilute into sufficient water to dissolve product completely and allow to stand for 2 to 6 hours before adding to pond. Apply above rate every 4 weeks in the winter months and every 6 weeks in the summer. Apply to lagoons at the inlet. Aeration and circulation can be used to maximize results.

STORAGE

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly reseal after opening to preserve shelf life.

CAUTION

Product is safe and nontoxic when used as directed. Keep out of reach of children and pets! Do not inhale or ingest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician.

NOTICE - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.
