

# SEA WEED EXTRACT

1 - 0 - 17  
Soluble Powder

## DESCRIPTION

**SEA WEED EXTRACT** is a natural plant growth regulator derived from Norwegian Ascophyllum Seaweed including cytokinins, indoles, auxins, and hormones. **SEA WEED EXTRACT** stimulates cell division, root development, and bud initiation. May be applied to soil or as a foliar spray. Also an excellent source of minerals.

## COMPATIBILITY

**SEA WEED EXTRACT** is compatible with most fertilizers, fungicides and pesticides. In all cases, it is recommended that a jar test be made to determine the compatibility of **SEA WEED EXTRACT** with other materials before proceeding with high volume mixing.

## APPLICATION

**SOIL:** Apply 1 to 3 pounds of **SEA WEED EXTRACT** per acre for root stimulation. **FOLIAR:** Apply 3 to 5 pounds of **SEA WEED EXTRACT** per acre per season to trees, vines and row crops. Multiple applications work best.

## STORAGE

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly reseal after opening to preserve shelf life.

## CAUTION

Product is safe and nontoxic when used as directed. Keep out of reach of children and pets! Do not inhale or digest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician.

**NOTICE** - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.
