

WAKE UP

1 - 3 - 2 Liquid Microbial Food

DESCRIPTION

WAKE UP 1 - 3 - 2 is a complete liquid microbial substrate used with ACTIVATE™ crop microbials. **WAKE UP 1 - 3 - 2** is a precise blend of liquid nutrients that stimulates rapid germination of the Bacillus bacteria spores into active, growing cells through the use of complex carbohydrates.

COMPATIBILITY

WAKE UP 1 - 3 - 2 is compatible with most fertilizers, fungicides and pesticides. In all cases, it is recommended that a jar test be made to determine the compatibility of **WAKE UP 1 - 3 - 2** with other materials before proceeding with high volume mixing.

APPLICATION

SOIL: 1 - 2 gallons of **WAKE UP 1 - 3 - 2** should be used in combination ACTIVATE™ microbials to assure quick germination of the Bacillus bacteria.

STORAGE

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly reseal after opening to preserve shelf life.

CAUTION

Product is safe and nontoxic when used as directed. Keep out of reach of children and pets! Do not inhale or digest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician.

NOTICE - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.
