

ACADIAN ORGANIC POWDER

1 - 0.10 - 20
Soluble Seaweed Powder

DESCRIPTION

ACADIAN ORGANIC POWDER is a natural plant growth regulator derived from Norwegian Ascophyllum Seaweed including cytokinins, indoles, auxins, and hormones. **ACADIAN ORGANIC POWDER** stimulates cell division, root development, and bud initiation. May be applied to soil or as a foliar spray. Also an excellent source of minerals.

COMPATIBILITY

ACADIAN ORGANIC POWDER is compatible with most fertilizers, fungicides and pesticides. In all cases, it is recommended that a jar test be made to determine the compatibility of **ACADIAN ORGANIC POWDER** with other materials before proceeding with high volume mixing.

APPLICATION

SOIL: Apply 1 to 3 pounds of **ACADIAN ORGANIC POWDER** per acre for root stimulation. **FOLIAR:** Apply 3 to 5 pounds of **ACADIAN ORGANIC POWDER** per acre per season to trees, vines and row crops. Multiple applications work best.

STORAGE

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly reseal after opening to preserve shelf life.

CAUTION

Product is safe and nontoxic when used as directed. Keep out of reach of children and pets! Do not inhale or ingest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician.

NOTICE - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.

GUARANTEED ANALYSIS

Total Nitrogen (N).....	1%
Available Phosphoric Acid (P ₂ O ₅).....	0.10%
