**★ ALL STAR™ ★**  
**MINERALS**  
**Water Dispersible**  
**Foliar Concentrate**

**DESCRIPTION**

**ALL STAR MINERALS** is designed to supply nutrients efficiently to vegetable crops, field crops, row crops, deciduous fruit and nut trees, grapes and citrus. Foliar fertilization is intended as a supplement to a regular fertilizer program and may not by itself provide all the nutrient normally required by agricultural crops and other intended plants. May also be water run using rates similar to foliar use rates.

**COMPATIBILITY**

**ALL STAR MINERALS** is compatible with most fertilizers, fungicides, and pesticides. In all cases, it is recommended that a jar test be made to determine the compatibility of **ALL STAR MINERALS** with other materials before proceeding with high volume mixing.

**STORAGE**

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly reseal after opening to preserve shelf life.

**APPLICATION**

**GROUND SPRAY TREES:** Apply 5 to 10 pounds of **ALL STAR MINERALS** per acre in 40 to 100 gallons of water. **GRAPES:** Apply 5 to 8 pounds per acre. **ROW CROPS and VEGETABLES:** Apply 3 to 5 pounds per acre in 25 to 50 gallons of water. **AIR APPLICATION:** Apply 3 to 10 pounds per acre in sufficient water for good coverage. Application may be repeated every 14 days until deficiencies are addressed. Do not apply if temperatures exceed 90° F or when plants are under stress. A nonionic spreader is recommended at 1 pint per 100 gallons of water.

**CAUTION**

Do not inhale or digest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician. Caution: contains Molybdenum. Application of fertilizing materials containing Molybdenum may result in forage crops containing levels of Molybdenum which are toxic to ruminant animals. **Caution: this product contains ≥ 0.10% Boron. The use of the fertilizing material on any crops other than those recommended may result in serious injury to the crop(s).** Information regarding the contents and levels of metals in this product is available on the internet at <http://aapfco.org/metal.html>

**NOTICE** - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.
