CALCIUM COMPLEX

6% Liquid Calcium Soil Nutrients

DESCRIPTION

CALCIUM COMPLEX is designed to supply foliar calcium efficiently to vegetable crops, field crops, row crops, deciduous fruit and nut trees, grapes and citrus. Soil calcium fertilization is intended as a supplement to a regular fertilizer program and may not by itself provide all the nutrient normally required by agricultural crops and other intended plants.

COMPATIBILITY

CALCIUM COMPLEX is compatible with most fertilizers, fungicides, and pesticides. In all cases, it is recommended that a jar test be made to determine the compatibility of **CALCIUM COMPLEX** with other materials before proceeding with high volume mixing.

STORAGE

Store in a cool, dry place. Avoid prolonged exposure to direct sunlight. Tightly reseal after opening to preserve shelf life.

APPLICATION

VEGETABLE CROPS: Apply 2 to 4 gallons of **CALCIUM COMPLEX** per acre at the appropriate stages of growth and development. **GRAPES:** Apply 3 to 6 gallons per acre at the appropriate stage of development. **TREE AND NUT CROPS:** Apply 3 to 6 per acre per application through the growing season as a maintenance program.

CAUTION

Product is safe and non-toxic when used as directed. Keep out of reach of children and pet! Do not inhale or digest. Avoid contact with skin, eyes, or clothing. In case of contact, flush with water. If swallowed, drink water and consult a physician.

NOTICE - Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. Since weather, crop and soil conditions may vary, NRG and/or seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use and handling, whether or not in accordance with directions or suggestions.

GUARANTEED ANALYSIS

Nitrogen (N).....5.0%
Calcium (Ca).....6.0%

PRIMARY PLANT FOOD SOURCES:
Calcium Nitrate

NON PLANT FOOD INGREDIENTS:
Plant Extracts.
